

AMENDMENTS TO THE SPECIFICATION

Please amend the “BRIEF DESCRIPTION OF THE DRAWINGS” section according to the following:

The invention is described below by means of a schematic drawing. In the drawing:

Fig. 1 shows a view of the knob shaft with eccentric and driver in the rest position

Fig. 2 shows a view of the knob shaft with eccentric and driver in the operating position

Fig. 3 shows a view of the knob shaft with eccentric and driver in the operating position, but with the rotated lock tab, ~~and~~

Fig. 4 shows a side view of a knob shaft, and

Fig. 5 shows a side view of a double-sided lock cylinder.

Please add the following paragraph at the end of the description just before the claims section:

Fig. 5 depicts a double-sided lock cylinder comprising two knobs 2 connected through a door by a shaft and sockets. The double-sided lock cylinder is similar to the lock cylinder depicted in Figs. 1-4 except that a knob is provided on each side of the door.
